**MAXIMUM OF 6 GIRLS PER SESSION**

**EACH SESSION WILL INCLUDE**  
**LONG GAME / SHORT GAME / PUTTING**

The Durham Girls Junior coaching programme for 2025 / 2026 is being restructured to ensure all girls from beginner to elite level with or without handicaps are given the opportunity to be part of the programme.

To do this a Coaching Assessment Day has been arranged where girls can sign up for a one-hour session of their choice. During the session they will be assessed on their putting, long and short game.

The most important aspect of the assessment day is that there will be a relaxed and welcoming environment to give the girls the freedom to relax and enjoy the day, without the feeling of being put under pressure to perform.

The day is a fantastic opportunity for girls to become a part of the coaching programme and develop their talent to help ensure the future of girls' golf in Durham.

After the assessment day girls will be offered a place on a coaching group appropriate to their playing ability to further develop their skills.

To book please complete the booking form found on the Junior Fixtures page and return it as directed by Friday 29 August 2025.

For further information please contact.
