The following proposal was submitted by Christine Gott (Secretary) on behalf of Ramside GC.

The proposal was seconded by Blackwell Grange Golf Club.

'In line with EG recommendation, we propose to limit the Handicap Index to 30 for future Sivewright matches. This would enable a maximum Course Handicap of around 36, subject to the Home Club Course Rating. We feel this would also reflect the current trend for clubs to, in some way, limit shots allowed in many Competitions, including Opens. Any player with a HI more than 30 would be welcome to play but must play off a HI of 30.'
